Privacy Notice

Siemens Aktiengesellschaft, Werner-von-Siemens-Straße 1, 80333 Munich, Germany (“**Siemens**“) respects your privacy in handling personal data relating to the AI @ Industry Hackathon. This Privacy Notice covers how Siemens collects, processes, discloses and transfers your personal data and describes your related rights

Categories of personal data processed, purpose of the processing and legal basis

Siemens may process the following categories of personal data about you:

- Personal data that you actively and voluntarily provide via the registration website (e.g., when registering, contacting us with your inquiries, etc.); and
- Information that is automatically sent to us by your web browser or device, such as your IP-address, device type, browser type, referring site, sides accessed during your visit, the date and time of each visitor request].

Siemens processes your personal data only to offer the functionalities of our registration website and to organize and administer the AI @ Industry Hackathon.

The legal basis for Siemens processing data about you is that such processing is necessary for the purposes of legitimate interests pursued by Siemens (Article 6 (1) (f) General Data Protection Regulation). Generally the legitimate interest pursued by Siemens in relation to our use of your personal data is the efficient performance or management of the AI @ IndustryHackathon.

Service Provider

Siemens commissions service providers (so-called data processors) supporting us in the organization and management of the AI @ Industry Hackathon. These service providers only act upon instructions of Siemens and are contractually bound to act in compliance with applicable data protection law.

Retention Periods

Unless explicitly indicated otherwise at the time of the collection of personal data (e.g. within a consent form accepted by you), we erase personal data if the retention of the personal data is no longer necessary in relation to the purposes for which they were collected or otherwise processed and no statutory retention obligations under applicable law (such as tax or commercial law) require us to further retain personal data.

Right of access to and rectification or erasure of personal data, restriction of processing, right to object to processing and right to data portability

Under applicable data protection law you may – provided that the relevant legal requirements are met – have the right to:

- Obtain from Siemens confirmation as to whether or not personal data concerning you are being processed, and where that is the case, access to the personal data;
- Obtain from Siemens the rectification of inaccurate personal data concerning you;
- Obtain from Siemens the erasure of your personal data;
- Obtain from Siemens restriction of processing regarding your personal data;
- Data portability concerning personal data, which you actively provided; and
- Object, on grounds relating to your particular situation, to processing of personal data concerning you.
